

Dear Friends of Mission Possible,

Thank you for your ongoing prayers for the Kingdom cause of Mission Possible Foundation!

Our Mission Possible family just concluded celebrating the 35th anniversary of our founding. Many of our board members, MP staff, and a host of friends gathered in early December in Fort Lauderdale, Florida, to mark the occasion. We were particularly honored to have Dr. Ralph Mann, the founder of Mission Possible, present to share some historical perspectives and memories. He recounted the challenges faced and the incremental steps of faith that were taken during MP's beginning and early years. During those years hundreds of thousands of Bibles were smuggled in and distributed throughout the Communist countries. Through the ministry of MP hundreds of churches have been started, leaders have been trained, and countless street children have been rescued. The 35th anniversary was a great time of celebration as we looked back on MP's history, and it was also a time of encouragement as we considered MP's future.

Remembering our past is important. Transforming our future is strategic and imperative. We enter not only a new year but a new decade with fresh passion and commitment to the cause of Christ. Along with our president Ignat Ivanov, the entire Board of Directors and I wish God's best to you and your family throughout this year. We invite you to continue the journey with us as we target Eastern Europe and Russia with the Gospel.

Your support is tangible evidence that you place great value on the purpose of Mission Possible. Through your investment to Mission Possible, our field staff, and the world they encounter, will be forever changed.

In Him,

Harry Schmidt
